

Substance of Interview

During a telephone discussion with Examiner Chen on August 13, 2007, initiated by Applicant's attorney, he noted that Application Number 10/595,261 has been issued as US 7,235,287. Examiner Chen indicated that she thought it would be acceptable for the new Terminal Disclaimer to refer to either this patent number or the application number. This was confirmed by another telephone call to Ms. Angela Walker on August 13, 2007, during which Ms. Walker also informed Applicant's attorney that it would not be necessary to submit another PTO fee with the new Terminal Disclaimer. Ms. Walker indicated that it would be acceptable to indicate that the fee was paid with the first Terminal Disclaimer, filed April 24, 2007. Accordingly, the new Terminal Disclaimer is not accompanied by a PTO fee. A copy of the cancelled check (both sides) for the fee submitted April 24, 2007 is submitted herewith as proof of payment of the fee. The front of the check indicates that the fee is for late filing the Declaration. This was a clerical error. [The PTO fee for late filing the Declaration was paid August 17, 2005.] A copy of the postcard receipt for the Terminal Disclaimer and fee filed April 24, 2007 is submitted herewith, to show that the fee was clearly for the Terminal Disclaimer.

Respectfully submitted,

Yosuke EGAWA
